

## LC Accounting (Interpretation of Accounts) – Key Definitions

Formula - Return  
on Capital  
Employed (ROCE)

studyclix.ie  
makes exams easier

$$\frac{\text{Net Profit after Taxes} \times 100}{\text{Gross Capital Employed}} (\%)$$

Return on  
Shareholders'  
Funds

studyclix.ie  
makes exams easier

$$\frac{\text{Profit after Tax and Preference Dividends}}{\text{Ordinary Shares} + \text{Reserves}} (\%)$$

Gross Profit Margin

studyclix.ie  
makes exams easier

$$\frac{\text{Gross Profit} \times 100}{\text{Sales}}$$

Net Profit  
Margin

studyclix.ie  
makes exams easier

$$\frac{\text{Net Profit} \times 100}{\text{Sales}} (\%)$$

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Interpretation of Accounts) – Key Definitions

Dividend per Share

studyclix.ie  
makes exams easier

$$\frac{\text{Total Ordinary Dividend}}{\text{No. of Issued Ordinary Shares}}$$

Dividend Yield

studyclix.ie  
makes exams easier

$$\frac{\text{Dividend per Share} \times 100}{\text{Market Value}} (\%)$$

Real Rate of Return on Shares

studyclix.ie  
makes exams easier

$$\text{Dividend Cover} \times \text{Dividend Yield} (\%)$$

Earnings per Share

studyclix.ie  
makes exams easier

$$\frac{\text{Net Profit after Preference Dividend}}{\text{No. of Issued Ordinary Shares}} (\text{cent})$$

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Interpretation of Accounts) – Key Definitions

Price Earnings  
Ratio

studyclix.ie  
makes exams easier

Market Price  
Earnings Per Share  
(cent)

Time to recoup  
share value

studyclix.ie  
makes exams easier

Market Price  
Dividend per Share  
(years)

Dividend Cover

studyclix.ie  
makes exams easier

Net Profit after  
Preference Dividend  
Ordinary Dividend  
(times)

Current Ratio

studyclix.ie  
makes exams easier

Current Assets ÷ Current Liabilities : 1

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Interpretation of Accounts) – Key Definitions

Quick Ratio /  
Acid test

studyclix.ie  
makes exams easier

$$\frac{(\text{Current Assets} - \text{Closing Stock})}{\text{Current Liabilities}} : 1$$

Gearing Ratio

studyclix.ie  
makes exams easier

$$\frac{\text{Debt Capital} \times 100}{\text{Total Capital}} (\%)$$

Average Stock

studyclix.ie  
makes exams easier

$$\frac{\text{Opening Stock} + \text{Closing Stock}}{2}$$

Rate of Stock  
Turnover

studyclix.ie  
makes exams easier

$$\frac{\text{Cost of Sales}}{\text{Average Stock}} (\text{times})$$

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Interpretation of Accounts) – Key Definitions

Period of Credit  
given to Debtors

studyclix.ie  
makes exams easier

$$\frac{\text{Debtors} \times (365 / 12)}{\text{Credit Sales}}$$
  
(days / months)

Period of Credit  
received from  
Creditors

studyclix.ie  
makes exams easier

$$\frac{\text{Creditors} \times (365 / 12)}{\text{Credit Purchases}}$$
  
(days / months)

Interest Cover

studyclix.ie  
makes exams easier

$$\frac{\text{Net Profit before Interest}}{\text{Interest paid}}$$
  
(times)

Predicted  
Market Value

studyclix.ie  
makes exams easier

$$\text{P/E ratio} \times \text{Earnings per Share}$$

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Interpretation of Accounts) – Key Definitions

### Real Value of Shares

studyclix.ie  
makes exams easier

Last year's P/E ratio  
x by this year's  
Earnings per Share

### Solvency

studyclix.ie  
makes exams easier

A company's ability to  
pay all of its' debts as  
they fall due in the  
long term.

### Limitations of Ratio Analysis

studyclix.ie  
makes exams easier

- Often not comparable between firms.
- Do not account for seasonal fluctuations.
- Relies on historical data.

### How to increase liquidity

studyclix.ie  
makes exams easier

- Paying out lower dividends.
- Selling investments.
- Issuing more shares.
- Collect debts faster.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Incomplete Records) – Key Definitions

### Advice for better record keeping

studyclix.ie  
makes exams easier

- Keep a detailed cash book and ledger.
- Accurate accounts.
- Avoid reliance on estimates.

### Four fundamental concepts of accounting

studyclix.ie  
makes exams easier

- Accruals
- Going Concern
- Prudence
- Consistency

### Accruals

studyclix.ie  
makes exams easier

All expenses incurred and revenue income in a particular period must be included in the accounts of that period, regardless of when they were paid or received.

### Going Concern

studyclix.ie  
makes exams easier

When an accountant is preparing company accounts, they must be able to assume that the company will continue indefinitely.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Interpretation of Accounts) – Key Definitions

Causes of a decrease in gross profit percentage

studyclix.ie  
makes exams easier

- Cash losses.
- Stock losses.
- Mark downs during sales.
- Incorrect stock valuation.
- Higher cost of sales.

How to lower gearing

studyclix.ie  
makes exams easier

- Issue more ordinary shares.
- Repay debentures.

Liquidity

studyclix.ie  
makes exams easier

The ability of a company to pay its short-term debts as they fall due.

Gearing

studyclix.ie  
makes exams easier

Represents debt as a percentage of total capital employed.

Cut dotted horizontal lines. Fold vertical line.

## LC (Incomplete Records) – Key Definitions

### Consistency

studyclix.ie  
makes exams easier

A firm should use the same methods of accounting for an accounting issue each and every time.

### Prudence

studyclix.ie  
makes exams easier

When preparing accounts revenue should not be overestimated and expenses should not be underestimated.

Extra information  
'double-entry'  
provides

studyclix.ie  
makes exams easier

- Trial Balance
- Total Sales & Purchases figures
- Bank balance
- Capital and Drawings

Characteristics of  
good accounting

studyclix.ie  
makes exams easier

- Relevant
- Reliable
- Easily understood
- Comparable

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Budgeting) – Key Definitions

### Advantages of budgeting

studyclix.ie  
makes exams easier

- Provides advance warning of potential difficulties.
- Helpful when attracting investment.
- Can be used for decision-making.

### Flexible budgeting

studyclix.ie  
makes exams easier

Flexible budgets are used to show how costs, and as a result profits, are likely to change at different levels of production.

### Adverse Variance

studyclix.ie  
makes exams easier

When the difference between an actual cost or revenue and the previously budgeted amount is worse than expected e.g. budgeted expenses turn out to be higher.

### Controllable Costs

studyclix.ie  
makes exams easier

Costs over which the firm has power or control, such as wages.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Budgeting) – Key Definitions

### Uncontrollable Costs

studyclix.ie  
makes exams easier

Costs which the firm has no power or control over, such as raw materials.

### Factors to consider when budgeting

studyclix.ie  
makes exams easier

- Last year's sales
- The state of the economy
- Sales of competing firms
- Results of market research
- Trends in the market

### Principle Budgeting Factor

studyclix.ie  
makes exams easier

This is the element that restricts the firm from expanding indefinitely, such as capital availability or production capacity.

### Capital Budget

studyclix.ie  
makes exams easier

Consists of the large-scale or long-term revenue and expenditure that a firm expects to incur, e.g. the construction of a premises.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Budgeting) – Key Definitions

### Cash Budget

studyclix.ie  
makes exams easier

A cash budget is an estimate of the future income and expenditure of the firm, in order to identify periods of excess expenditure or a surplus of cash.

### Mixed cost

studyclix.ie  
makes exams easier

A cost with both fixed and variable elements.

### Step Cost

studyclix.ie  
makes exams easier

This is a cost that is fixed between certain levels of production before changing, e.g. factory rent might change as a larger factory is required.

### Direct Cost

studyclix.ie  
makes exams easier

A cost that can be completely attributed to the production of specific goods or services.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Costing) – Key Definitions

### Financial accounting characteristics

studyclix.ie  
makes exams easier

Financial accounting records transactions of the past, usually for external stakeholders and is also legally required.

### Management accounting characteristics

studyclix.ie  
makes exams easier

Management accounting deals with predictions for the future, is used for internal decisions, and is optional.

### Apportionment of Costs

studyclix.ie  
makes exams easier

Apportionment occurs where indirect costs are divided out using a suitable basis.

### Allocation of Costs

studyclix.ie  
makes exams easier

Allocation occurs where direct costs are linked specifically to the item being produced.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Cashflow Statements) – Key Definitions

### Cashflow Statement

studyclix.ie  
makes exams easier

Measures the cash inflow and outflow for the year. Shows the difference between cash-flow and profit. Aids in financial planning and to attract possible investment.

### Non-Cash Item

studyclix.ie  
makes exams easier

A non-cash item is an expense or gain that effects profit but doesn't involve cash inflow or outflow.

### Income vs. Profit

studyclix.ie  
makes exams easier

Profit does not always mean an increase in cash because there are many items that influence the profit of a firm but that do not involve an inflow of cash.

### Solvency

studyclix.ie  
makes exams easier

A firm is solvent if total assets exceed all outside liabilities.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Cashflow Statements) – Key Definitions

### Obligations of a PLC

studyclix.ie  
makes exams easier

- Provide a full set of accounts, balance sheet and a cashflow statement to shareholders.
- Register a full set of accounts with the registrar of companies.

### Responsibilities of a PLC Director

studyclix.ie  
makes exams easier

- To comply with the Companies Act.
- To keep proper accounting records.
- Publish Final Accounts annually.

### Financial Reporting Standard 1

studyclix.ie  
makes exams easier

Requires large companies to prepare a Cash Flow Statement for each activity period, which should be entered under standard headings according to their purpose.

### Financial Reporting Standards

studyclix.ie  
makes exams easier

Accounting standards issued by the Accounting Standards Board which dictate accounting expectations for firms.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Correction of Errors) – Key Definitions

Five types of errors  
that are not revealed  
by the trial balance

**studyclix.ie**  
makes exams easier

1. Error of Omission.
2. Error of Commission.
3. Error of Principle.
4. Reversal of Entries.
5. Error of Original Entry.

Error of Omission

**studyclix.ie**  
makes exams easier

When the accountant  
completely omits a  
transaction from the books.

Error of Commission

**studyclix.ie**  
makes exams easier

When a transaction is  
attributed to the wrong  
account (e.g. two debtors  
are confused).

Error of Principle

**studyclix.ie**  
makes exams easier

When the incorrect type  
of account is used (e.g. a  
fixed asset is bought and  
debited as stock)

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Correction of Errors) – Key Definitions

### Reversal of entries

studyclix.ie  
makes exams easier

When a transaction is recorded in the correct accounts but on the incorrect sides.

### Errors that do affect the trial balance

studyclix.ie  
makes exams easier

1. Mathematical Errors
2. Entering only one entry of a transaction
3. Entering two different amounts for a debit and corresponding credit entry.

### Compensating errors

studyclix.ie  
makes exams easier

This is when errors of equal value cancel each other out.

### Suspense Account

studyclix.ie  
makes exams easier

An account in which discrepancies are entered temporarily before allocation to the correct or final account.

Cut dotted horizontal lines. Fold vertical line.

## LC Accounting (Club Accounts) – Key Definitions

### Methods of financing an extension

studyclix.ie  
makes exams easier

- Increase subscription fee
- Find sponsorship.
- Sell investments.

### Points a treasurer makes if members proposed to reduce the subscriptions

studyclix.ie  
makes exams easier

- Income could fall if no new members join.
- If members will pay the current subscription rate, new development could be financed.

### Special purpose profit and loss account

studyclix.ie  
makes exams easier

This is an account for transactions outside the normal day-to-day running of the club.

### Advice to give the treasurer

studyclix.ie  
makes exams easier

- If there is a surplus of income, new services could be offered to members.
- Consider the introduction of a levy.
- Try to attract sponsorship.

Cut dotted horizontal lines. Fold vertical line.

# LC Accounting (Published Accounts) – Key Definitions

## Audit

studyclix.ie  
makes exams easier

Independent examination of a firm's accounts, aiming to clarify whether the accounts represent a 'true and fair' picture of the financial state of the organisation.

Items which auditors must express an opinion in their reports

studyclix.ie  
makes exams easier

- Accounts representing a fair view of the financial records.
- Director's report is consistent with the accounts.
- Profit and Loss Account and Balance Sheet have been prepared correctly.

Items to be included in a director's report

studyclix.ie  
makes exams easier

1. Description of the previous year's performance.
2. Statement of future plans, such as a merger.
3. Recommended dividends for this year.

Qualified auditor's report

studyclix.ie  
makes exams easier

This is when an auditor is not satisfied that the accounts have all of the necessary requirements and that they must 'qualify' their report with this concern.

Cut dotted horizontal lines. Fold vertical line.
