- Keep in mind that the ABQ is on three certain units every year. For 2020 it will be on units 2,3 & 4.

Our Predictions:

- **Question 1** - In the People in Business question we predict the Unfair Dismissals Act to appear this year as it has appeared every second year in the 4 years. It may be examined with a consumer question and an industrial relations question.
- **Question 2** - Ethics and The Environment will almost definitely come up as it has in previous years. It is important to be able to define 'Business Ethics' and 'Code of Ethics'.
- **Question 3** - The EU is worth knowing very well as it often appears and is very topical at the moment due to 'Brexit'.
- **Question 4, 5, 6 and 7** cover topics above of high frequencies and will be a large cover of topics above with high frequencies and will be a large part of the paper as usual e.g. Marketing, Human Resource Management and Business Accounts, Finance and Planning.
- **ABQ - Units 2, 3 & 4;** Entrepreneurs & Enterprise is a good topic to learn and is almost guaranteed to be a part of the ABQ alongside questions regarding different types of management planning and insurance.
